13th Annual - Unity in the Community Campout- Lancaster County

Pequea Creek Campground and Park

86 Fox Hollow Rd, Pequea, PA 17565

The Unity in the Community Campout Committee is asking the Lancaster Recovery Community Home Groups for monetary contributions to help provide a Saturday afternoon picnic and a Sunday morning breakfast at this event. Other costs associated with your contribution would include the rental of portable toilets and refreshments for the weekend.

Please take this flier to your Home Group and discuss it during your monthly Home Group Business Meeting. The Unity in the Community Campout Committee is asking that contributions be submitted prior to 05/31/2022 if possible. This is an effort to plan appropriately for the weekend.

The Unity in the Community Campout Committee would like to thank you and your group in advance for the support over the past Decade in making this a memorable recovery event for all. The theme of our campout is *Unity*. Let's show the newcomer there is life after we put the drink down and it can be fun.
